

### Catering by Design

Let us do the cooking! Whether you simply need to pick up a quick hot dinner for your family, sandwich platters for the office or you need to host a large reception we can cater to your every desire.

We offer all our freshly prepared sandwiches, salads, side dishes, main courses and desserts for any size party. Served hot or cold we will package everything so it will be easy to serve. We also specialize in a wide variety of hot and cold party platters and appetizers. Be a guest at your next party! Please allow our catering director and chef assist you in planning your next event or party. Our goal is to make everything as simple as possible for you. Catering by Design services include menu development, delivery, set up and a fully trained service staff including chefs, servers and bartenders. We can also assist in selecting beverages for the event to complement the menu. Any necessary extras such as plates, silver, glassware, tables, chairs or linen etc. are also available.

### Dinner by Design

Our chef has developed a weekly menu featuring daily dinner specials. These delicious dinners will include soup, salad, main course, two sides, bread and dessert. The kitchen will customize menus to accommodate taste, portion and budget. Check our website for weekly menu.

### Chef by Design

Chef Tim will come to your home or venue and conduct cooking classes, cocktail parties, dinner demonstrations or wine and beer pairing dinners. Invite your friends to an exciting fun and food filled occasion. Hosted by Chef Tim Schafer.
